EDISON ELECTRIC INSTITUTE

INDEX TO 1954 EDISON ELECTRIC INSTITUTE BULLETIN

Volume 22

Issue	Pages	Issue	Pages
January	1-32	July	237-268
February	33-64	August	269-300
March	65-96	September	301-332
April	97-128	October	333-364
May	129-168	November	365-396
June	169-236	December	397-428

General Index

A

Accident-Free Operation Nets 11 Companies Safety Merit Awards, 71

Accident Prevention
- Accident-Free Operation Nets 11 Company Safety Merit Awards, 71
- Four of 15 Safety Merit Award Recipients Attain 2,000,000 Accident-Free Man-Hours, 56
- Graduation Exercises Conclude Ebasco Seminar, 109
- Progress Report on Electrical Resuscitation Research Project—W. B. Kouwenhoven, 425
- Safety Merit Award Certificates Presented to Nine Companies Between February 15 and June 1, 254
- Texas Power & Light Co. Wins 5,000,000 Man-Hour Safety Award, 329

Accident Prevention Committee
- Boston Meeting, 91
- San Francisco Meeting, 330

Accounting
- Credit Picture, 122, 362
- Diverse Accounting Problems to be Studied at EEI-AGA Accounting Conference in Boston, 81
- EEI-AGA Electronics Accounting Machine Seminar to Be Held December 6-8, 372
- EEI, Con Edison and Electronics—F. J. Porter, Jr., 419
- How Significant Is a Computed Depreciation Reserve?—G. T. Logan, 163
- Over 1000 Accountants Attend First EEI-AGA Conference to be Held in Boston, 139
- Wisconsin Utilities Association Accountants Hold Annual Meeting, 238

Accounting Division Advisory and Executive Committees
- Chicago Meeting, 28

Air Conditioning
- Hot and Cold (Electric Space Heating and Air Conditioning)—M. E. Skinner, 159
- Power Factor of Room Air Conditioners, 320

American Gas and Electric Company Wins Charles A. Coffin Award, 178

"An Historic Step Forward," 307

Annual EEI Convention to Commemorate Jubilee with Program Geared to Future, 99

Annual EEI Sales Conference to Stress Sales Training and Market Development, 83

Appraisal of the Market for Long-Term Capital—G. A. Martell, R. Driscoll, A. Schlosser and F. W. Page, 213

Area Development
- People Organized and in Action—C. Hamilton Moses, 205
- Tentative Program of the Area Development Workshop, 300

Atomic Energy
- "An Historic Step Forward," 307
- Atomic Energy and Electric Power—E. H. Dixon, 151
- Duquesne Light to Construct Nuclear Plant, 104
- Nuclear Power and Utility Securities—Eldred H. Scott, 250
- Probable Impact of Atomic Energy On Electric Company Securities—Eldred H. Scott, 47
- Prospects for Use of Atomic Energy in Generation of Electric Power—Dr. John R. Dunning, 239
- Report on Progress—Atomic Energy—Robert LeBaron, 247

Atomic Energy and Electric Power—E. H. Dixon, 151

Average Fuel Consumption per Kilowatthour Reaches Record Low, 320

Awards
- Accident-Free Operation Nets 11 Companies Safety Merit Awards, 71
- American Gas and Electric Company Wins Charles A. Coffin Award, 178
- Detroit Edison Employees Receive Dow Awards, 162
- EEI Prize Award Competitions for 1954, 363
- Fifteen EEI Resuscitation Medals Authorized for Presentation to Company Personnel in '53, 21
- Four of 15 Safety Merit Award Recipients Attain 2,000,000 Accident-Free Man-Hours, 56
- Jubilee Convention Commemorates Progress, Dedicates Itself to Further Public Service, 171
- Potential for Sale of Appliances and Power Stressed at 20th Annual Sales Conference, 143
- President Sammis Awarded Engineering Medal, 146
- Safety Merit Award Certificates Presented to Nine Companies Between February 15 and June 1, 254
- Texas Power & Light Co. Wins 5,000,000 Man-Hour Safety Award, 329

B

Business Management
- Outlook for Power—A Look Beyond the Statistics—Elmer L. Lindseth, 5

C

Canada's Competitive Position as a Power Producer—J. A. Fuller, 315

Census Data
- U. S. Census Survey Reveals Important Data on Average Size of Households and Families, 253

Collection Practices
- Credit Picture, 122, 362
- Public Utility Billing—Walter W. Merrill, 167

Commercial Activities
- Annual EEI Sales Conference to Stress Sales Training and Market Development, 83
- Coordinated Farm Lighting Program, 329
- Fall Range Campaign, 249
- Potential for Sale of Appliances and Power Stressed at 20th Annual Sales Conference, 143
- Two Spring Campaigns for Promoting Electric Ranges and Electric Water Heaters Announced, 60

Companies Urged to Order Jubilee Materials Early, 220

Comprehensive Customer Relations Training Package Produced by AGA-EEI Joint Committee, 314

Conference to be Held in Paris Next May, 52

Construction
- "An Historic Step Forward," 307
- Duquesne Light to Construct Nuclear Plant, 104
- Electric Industry in 1953—Walter H. Sammis, 3

Conventions and Meetings
- Accident Prevention Committee Meeting, 91, 330
- Accounting Division and Executive Committees Meeting, 28
- Annual EEI Convention to Commemorate Jubilee with Program Geared to Future, 99
- Annual EEI Sales Conference to Stress Sales Training and Market Development, 83
- Conference to be Held in Paris Next May, 52
- Customer Relations to Highlight PIP Workshop Conference, 328

Diverse Accounting Problems to be Studied at EEI-AGA Accounting Conference in Boston, 81
EEI Industrial Relations Committee To Meet, 225
EEI-AGA Electronics Accounting Machine Seminar To Be Held December 6-8, 372
Electrical Equipment Committee Meeting, 123, 226, 392
Financing and Investor Relations Committee Meeting, 27
14th Annual Young Men's Utility Conference Sponsored by Indiana Electric Association, 138
Hydraulic Power Committee Meeting, 228
Industrial Relations Conference Program—Fred R. Rauch, 224
Jubilee Convention Commemorates Progress, Dedicates Itself to Further Public Service, 171
Lighting Dramatized, 43
Meter and Service Committee Meeting, 92, 229, 388
Over 1000 Accountants Attend First EEI-AGA Conference to be Held in Boston, 139
Past Accomplishment and Future Development Themes of Jubilee-Year EEI Convention, 131
Potential for Sale of Appliances and Power Stressed at 20th Annual Sales Conference, 143
Prime Movers Committee Meetings, 27, 91, 299, 389
Purchasing and Stores Committee Announces Program for Annual Spring Meeting, 88
Purchasing and Stores Committee Meeting, 232
Street Tree and Utility Conference to be Held in Cleveland Next March, 196
Tentative Program of the Area Development Workshop, 300
Transmission and Distribution Committee Meeting, 94, 230, 390
220 Industrial Engineers and Power Salesmen Attend National Electric Heating Conference, 44
Utility Fleet Operators to Meet in Montreal, 88
Wisconsin Utilities Association Accountants Hold Annual Meeting, 238
Coordinated Farm Lighting Program, 329
Cost Control
Facing Up to the Cost Problem—Stuart Campbell, 197
Credit Picture, 122, 362
Customer-Contact Training Kit Prepared by EEI-AGA, 93
Customer Relations
Comprehensive Customer Relations Training Package Produced by AGA-EEI Joint Committee, 314
Customer-Contact Training Kit Prepared by EEI-AGA, 93
Customer Relations—Henry B. Sargent, 255
Customer Relations to Highlight PIP Workshop Conference, 328
Industry Connects Fifty Millionth Customer, 85
Industrial Electrification Council Objectives — Maxwell Cole, 45
Customer Relations—Henry B. Sargent, 255
Customer Relations to Highlight PIP Workshop Conference, 328

D

Depreciation
How Significant Is a Computed Depreciation Reserve?—George T. Logan, 163
Detroit Edison Employees Receive Dow Rewards, 162
Diamond Jubilee "Plan Book" and "Fact Book" Available, 89
Diverse Accounting Problems to be Studied at EEI-AGA Accounting Conference in Boston, 81
Donations
Wisconsin Utilities Donate A-C Calculator, 20
Duquesne Light to Construct Nuclear Plant, 104

E

Early Sales History of Industry Recorded, 254
Economic Outlook
Appraisal of the Market for Long-Term Capital—G. A. Martell, R. Driscoll, A. Schlosser and F. W. Page, 213
Outlook for Electric Light and Power Company Securities—Walter H. Sammis, 67
Edison Birthplace—Madeleine Edison Sloane, 294
EEI-AGA Electronics Accounting Machine Seminar To Be Held December 6-8, 372
EEI Committees
Accident Prevention Committee Meeting, 91, 330
Annual EEI Sales Conference to Stress Sales Training and Market Development, 83
EEI Accounting and Commercial Committee Activities for 1954-55, 373
EEI-AGA Electronics Accounting Machine Seminar To Be Held December 6-8, 372
EEI General and Engineering Committee Activities for 1954-55, 335
EEI Industrial Relations Committee to Meet, 225
Electrical Equipment Committee Meeting, 123, 226, 392
Hydraulic Power Committee Meeting, 228
Industrial Relations Conference Program — Fred R. Rauch, 224
Institute Approves Armour-Research Study On Connectors Between Aluminum and Copper, 52
Meter and Service Committee Meeting, 92, 229, 388
Over 1000 Accountants Attend First EEI-AGA Conference to be Held in Boston, 139
Potential for Sale of Appliances and Power Stressed at 20th Annual Sales Conference, 143
Prime Movers Committee Meeting, 27, 91, 299, 389
Purchasing and Stores Committee Announces Program for Annual Spring Meeting, 88
Purchasing and Stores Committee Meeting, 232
Tentative Program of the Area Development Workshop, 300
Transmission and Distribution Committee Meeting, 94, 230, 390
Utility Fleet Operators to Meet in Montreal, 88
EEI, Con Edison and Electronics—F. J. Porter, Jr., 419
EEI Convention
Annual EEI Convention to Commemorate Jubilee with Program Geared to Future, 99
Excerpts from Congratulatory Messages to the Institute's Jubilee Convention, 177
Institute Convention Entertainment to Feature Noted Theatrical and Musical Personalities, 138
Jubilee Convention Commemorates Progress, Dedicates Itself to Further Public Service, 171
New President of the Institute, 173
Past Accomplishment and Future Development Themes of Jubilee-Year EEI Convention, 131
President's Address—Walter H. Sammis, 179
Remarks of Harold Quinton in Accepting Presidency of EEI, 174
What They Were Saying in 1879, 1904 and 1929, 77
EEI General and Engineering Committee Activities for 1954-55, 335
EEI Industrial Relations Committee to Meet, 225
EEI Prize Award Competitions for 1954, 363
EEI Publications
Electric Utility Service Rules Still Available, 361
I Want to Know About the Electric Industry Now Available in its Sixth Annual Edition, 10
New EEI Publication, 4
New Food-Freezer Booklet Available, 186
Residential Wiring Handbook To Be Available About October 1, 306
EEI Publications, 51, 95, 112, 166, 393
EEI Publications and Service Material, 29, 61, 233
Edison, Thomas A.
Edison Birthplace—Madeleine Edison Sloane, 294
Excerpts from Congratulatory Messages to the Institute's Jubilee Convention, 177
Foundation that Edison Laid—H. S. Bennion, 291
From Edison Into the Future, 289
Meaning of Light's Diamond Jubilee—Charles E. Wilson, 187
To the Memory of Thomas A. Edison—Hon. Mark Anton, 183
What They Were Saying in 1879, 1904 and 1929, 77
Electric Companies and Manufacturers Plan Jubilee Observances Throughout Country, 9
Electric Industry
Electric Industry in 1953—Walter H. Sammis, 3
Foundation that Edison Laid—H. S. Bennion, 291
Industry Connects Fifty Millionth Customer, 85
Our Job Is to Serve—Walter H. Sammis, 147
Outlook for Electric Light and Power Company Securities—Walter H. Sammis, 67
Power Industry—A Challenge to Engineers—Walter H. Sammis, 101
President's Address—Walter H. Sammis, 179
Thoughts on a Bench Mark and an Anniversary, 86
What They Were Saying in 1879, 1904 and 1929, 77
Electric Industry in 1953—Walter H. Sammis, 3
Electric Utility Service Rules Still Available, 361

Electrical Appliances
Industry Connects Fifty Millionth Customer, 85
Electrical Equipment Committee
Chicago Meeting, 226
Detroit Meeting, 123
Hartford Meeting, 392
Employee Opinion Surveys—George P. Massengale, 75
Employee Relations
Employee Opinion Surveys—George P. Massengale, 75
Outlook for Power—A Look Beyond the Statistics—Elmer L. Lindseth, 5
Person-to-Person Communications—Dewitt Pike, 311
Employee Selection—An Important Element of Clerical Cost Control—E. R. Eberle, 107
Employee Training
Graduation Exercises Conclude Ebasco Seminar, 109
Outlook for Power—A Look Beyond the Statistics—Elmer L. Lindseth, 5
Engineering
Problems and Accomplishments in Engineering, Operations, and Planning—R. G. Rincliffe, 347
Engineers
Power Industry—A Challenge to Engineers—Walter H. Sammis, 101
Power System Engineering Faces a New Challenge—E. H. Snyder, 193
To the Future Engineers, 90
Excerpts from Congratulatory Messages to the Institute's Jubilee Convention, 177
Extent, Character and Outlook of the Diamond Jubilee, 399

F

Facing Up to the Cost Problem—Stuart Campbell, 197
Fall Range Campaign, 249
Farm Electrification
To Those Who Carry On—N. Bernard Gussett, 7
Fifteen EEI Resuscitation Medals Authorized for Presentation to Company Personnel in '53, 21
Fifty Millionth Customer
Industry Connects Fifty Millionth Customer, 85
Thoughts on a Bench Mark and an Anniversary, 86
Final Report of the Joint Committee on Steam Contamination, 265
Financing
Appraisal of the Market for Long-Term Capital—G. A. Martell, R. Driscoll, A. Schlosser and F. W. Page, 213
Nuclear Power and Utility Securities—Eldred H. Scott, 250
Outlook for Electric Light and Power Company Securities—Walter H. Sammis, 67
Probable Impact of Atomic Energy On Electric Company Securities—Eldred H. Scott, 47
Rates and Securities Regulation by the Federal Power Commission—Jerome K. Kuykendall, 221
Study of 56 Gas and Electric Company Annual Reports to Stockholders for 1952, 57
Treasury Financing and Debt Management—David M. Kennedy, 263
Financing and Investor Relations Committee
New York Meeting, 27
Forecasting
Looking Ahead to the Last Quarter of the First Century of Electric Power in the U. S.—Walker L. Cisler, 199
Outlook for Power—A Look Beyond the Statistics—Elmer L. Lindseth, 5
Power System Engineering Faces a New Challenge—E. H. Snyder, 193
Prospects for Use of Atomic Energy in Generation of Electric Power—Dr. John R. Dunning, 239
Foundation that Edison Laid—H. S. Bennion, 291
Four of 15 Safety Merit Award Recipients Attain 2,000,000 Accident-Free Man-Hours, 56
14th Annual Young Men's Utility Conference Sponsored by Indiana Electric Association, 138
Free Enterprise
President's Address—Walter H. Sammis, 179
Seventy-Five Years of Public Utility Regulation In a Competitive Society—Ralph M. Besse, 35
Who Has the Big Stake in Free Enterprise?—Harold Quinton, 367
From Edison into the Future, 289

G

Generating Capacity
"An Historic Step Forward," 307
Generation
Average Fuel Consumption per Kilowatthour Reaches Record Low, 320
Operating and Maintenance Experience in Outdoor Generating Stations—M. H. Long and J. S. Newbold, 110
Prospects for Use of Atomic Energy in Generation of Electric Power—Dr. John R. Dunning, 239
Government
"An Historic Step Forward," 307
Treasury Financing and Debt Management—David M. Kennedy, 263
Government Ownership
Preference Clause—Santa Clause to the Favored Few, But Paid For by the Nation—George M. Gadsby, 209
President's Address—Walter H. Sammis, 179
Probable Impact of Atomic Energy On Electric Company Securities—Eldred H. Scott, 47
Seventy-Five Years of Public Utility Regulation In a Competitive Society—Ralph M. Besse, 35
Who Has the Big Stake in Free Enterprise?—Harold Quinton, 367
Government Regulation
Rates and Securities Regulation by the Federal Power Commission—Jerome K. Kuykendall, 221
Rate Policies for Adequate Public Service—Robert S. Quig, 351
Remarks of Harold Quinton in Accepting Presidency of EEI, 174
Seventy-Five Years of Public Utility Regulation In a Competitive Society—Ralph M. Besse, 35
Graduation Exercises Conclude Ebasco Seminar, 109

H

Handicapped Homemaker's Kitchen—On Wheels—L. L. Clemmer, 53
Heating Home Economics
Hot and Cold (Electric Space Heating and Air Conditioning)—M. E. Skinner, 159
Home Service
Handicapped Homemaker's Kitchen—On Wheels—L. L. Clemmer, 53
Hot and Cold (Electric Space Heating and Air Conditioning)—M. E. Skinner, 159
How Significant Is a Computed Depreciation Reserve?—George T. Logan, 163
Hydraulic Power Committee
Chicago Meeting, 228

I

I Want to Know About the Electric Industry Now Available in its Sixth Annual Edition, 10
Industrial Electrification
Industrial Electrification Council Objectives — Maxwell Cole, 45
Industry and Electric Company Cooperation for Progress—George E. Whitwell, 72
220 Industrial Engineers and Power Salesmen Attend National Electric Heating Conference, 44
Industrial Relations Committee
Industrial Relations Conference Program—Fred R. Rauch, 224
Industry and Electric Company Cooperation for Progress—George E. Whitwell, 72
Industry Connects Fifty Millionth Customer, 85
Inflation
Electric Industry in 1953—Walter H. Sammis, 3
President's Address—Walter H. Sammis, 179
Institute Convention Entertainment to Feature Noted Theatrical and Musical Personalities, 138
Investor Relations
Appraisal of the Market for Long-Term Capital—G. A. Martell, R. Driscoll, A. Schlosser and F. W. Page, 213
Study of 56 Gas and Electric Company Annual Reports to Stockholders for 1952, 57

J

Jubilee Film, "The Eager Minds," Completed, 287
Jubilee Convention Commemorates Progress, Dedicates Itself to Further Public Service, 171
Joint Committee
Comprehensive Customer Relations Training Package Produced by AGA-EEI Joint Committee, 314

Final Report of the Joint Committee on Steam Contamination, 265
Power Factor of Room Air Conditioners, 320

L

Lighting Dramatized, 43
Light's Diamond Jubilee
Annual EEI Convention to Commemorate Jubilee with Program Geared to Future, 99
Companies Urged to Order Jubilee Materials Early, 220
Diamond Jubilee "Plan Book" and "Fact Book" Available, 89
Early Sales History of Industry Recorded, 254
Electric Companies and Manufacturers Plan Jubilee Observances Throughout Country, 9
Excerpts from Congratulatory Messages to the Institute's Jubilee Convention, 177
Extent, Character and Outlook of the Diamond Jubilee, 399
Foundation that Edison Laid—H. S. Bennion, 291
From Edison into the Future, 289
Industry and Electric Company Cooperation for Progress—George E. Whitwell, 72
Industry Connects Fifty Millionth Customer, 85
Jubilee Convention Commemorates Progress, Dedicates Itself to Further Public Service, 171
Jubilee Film, "The Eager Minds," Completed, 287
Jubilee in Pictures
Some Leading Lights of the Jubilee Committees, 400
Diamond Jubilee Deluge for Operation Scrapbook, 404
On This Great Occasion—Congratulations!, 410
The Buildings Glow, 411
Some Jubilee Dedications and Outdoor Activities, 412-13
From Coast to Coast, 414
Lighting Dramatized, 43
Light's Diamond Jubilee, 271
Light's Diamond Jubilee Show Planned for Four TV Networks, 275
Meaning of Light's Diamond Jubilee—Charles E. Wilson, 187
More on What Companies Are Doing in Light's Diamond Jubilee Celebration, 308
Our Job Is to Serve—Walter H. Sammis, 147
Past Accomplishment and Future Development Themes of Jubilee-Year EEI Convention, 131
President's Address—Walter H. Sammis, 179
Report on Light's Diamond Jubilee—D. C. Luce, 401
Selling Electric Service, 1879-1954—Wm. E. Clement, Part I—295, Part II—321, Part III—355
Selznick (David O.) to Produce Multi-Network Light's Diamond Jubilee Television Program, 100
Still More on What the Companies Did on Light's Diamond Jubilee, 405
Tapestry of Opinion, 415
Thoughts on a Bench Mark and an Anniversary, 86
What the Chairmen Say, 272
What the Companies Are Doing, 276
What They Were Saying in 1879, 1904 and 1929, 77
Wide Variety of Jubilee Materials Designed to Aid Local Observances, 288
Wiring for Modern Living—B. L. England, 303
Load Building
System Planning and Development at Houston Lighting & Power Company—L. K. Del'Homme and S. L. Rieves, 11
Load, Seasonal
Hot and Cold (Electric Space Heating and Air Conditioning)—M. E. Skinner, 159
Looking Ahead to the Last Quarter of the First Century of Electric Power in the United States—Walker L. Cisler, 199

M

Meaning of Light's Diamond Jubilee—Charles E. Wilson, 187
Meter and Service Committee
Chicago Meeting, 229
Dallas Meeting, 92
Springfield Meeting, 388
More on What Companies Are Doing in Light's Diamond Jubilee Celebration, 308

N

NAHB Adopts Standard on Service Entrances, 262
New EEI Publication, 4
New Food-Freezer Booklet Available, 186
New President of the Institute, 173
Nuclear Power and Utility Securities—Eldred H. Scott, 250

O
